

On grounds of Decision of the Prime Minister no.113/2002 regarding the appointment of the president of the National Regulatory Authority for Communications,

On grounds of the provisions of art.38(1), (3) and (5) of Government Emergency Ordinance no.79/2002 regarding the general regulatory framework for communications, approved, with amendments and completions, by Law no.591/2002,

Considering the request,

Following the debates as of

**THE PRESIDENT OF
THE NATIONAL REGULATORY AUTHORITY FOR COMMUNICATIONS**

issues the present:

DECISION

Unique article. - It is hereby granted the License for the use of numbering resources no. X on the use by of the number/range of numbers under the following conditions:

1. The number / range of numbers is allocated for usage to having the fiscal code for his offer (of services), under the following conditions: (taken from the documents that define NNP, from the number portability requirements, from the obligations assumed by the requester during the occurring procedures for competitive or comparative selection, from the obligations under international agreements).
2. This license is available until and the validity of this term depends on the change of NNP.
3. The holder is obliged to ensure that information regarding allocated numbering resources are included in the public directories.
4. The license may be transferred to an authorised third party only under the conditions provided in art.20 of Government Emergency Ordinance no.79/2002 regarding the general regulatory framework for communications, approved, with amendments and completions, by Law no.591/2002 (*Framework Ordinance*).
5. On the 31st of January of every year, the holder shall submit ANRC a report on the effective use of the allocated numbering resources.

6. ANRC has the right to control the observance of conditions hereunder, through its accordingly designated personnel.

7. ANRC shall withdraw or suspend the license in the following cases:

a) the holder does not observe one or several conditions under point 1 herein . The measure to withdraw or suspend the license may be taken with the observance of conditions under art.59 (4) si (5) of the *Framework Ordinance*;

b) during the last 12 months, the holder did not effectively use any of the numbers that are object of this license ;

c) the right to provide electronic communications networks or services under the general authorisation has been withdrawn form the holder.

8. On grounds of art.19 of *Framework Ordinance*, ANRC may impose to the holders of this license to pay a tarif for the use of numbering resources.

**PRESIDENT,
ION SMEEIANU**
