

On grounds of Decision no.113/2002 of the Prime-Minister on the designation of the president of the National Regulatory Authority for Communications,

On grounds of the provisions of art.34(3) and art.38(1), (3) and (5) of Government Emergency Ordinance no.79/2002 on the general regulatory framework for communications, approved, with amendments and completions, by Law no.591/2002,

Considering the provisions of the Rules for the identification of the relevant markets within the electronic communications sector, approved through ANRC President's Decision no.136/2002, completed by ANRC President's Decision no.174/2003,

Considering the provisions of the Rules for conducting market analyses and for determining the significant market power, approved through ANRC President's Decision no.137/2002,

**THE PRESIDENT OF THE
NATIONAL REGULATORY AUTHORITY FOR COMMUNICATIONS**

issues the present:

DECISION

Art.1. – „Romtelecom” – S.A. commercial company is hereby designated as operator with significant power on the market for the full or shared access to the twisted metallic pair local loop for the purpose of providing broadband electronic communications access services and publicly available telephony services at fixed locations.

Art.2. – Through decision of the president of the National Regulatory Authority for Communications, one or more of the conditions provided under arts.9-14 of Government Ordinance no.34/2002 on access to, and interconnection of, electronic communications networks and associated facilities, approved, with amendments and completions, by Law no.527/2002 shall be imposed to „Romtelecom” – S.A. commercial company.

Art.3. – This decision shall be communicated to „Romtelecom” – S.A. commercial company.

**PRESIDENT,
ION SMEEIANU**
