

On grounds of the Prime Minister's Decision no.113/2002 on the assignment of the President of the National Regulatory Authority for Communications,

On grounds of the provisions of Art.38 paragraphs (1), (3) and (5) and of Art.40 paragraph (2) of the Government Emergency Ordinance no.79/2002 on the general regulatory frame for communications, approved with modifications and completions by Law no.591/2002, as well as of the provisions of Art. 8 paragraph (2) of the Regulations for the Organisation and Operation of the National Regulatory Authority for Communications, approved by the Government Decision no.880/2002,

THE PRESIDENT OF THE NATIONAL REGULATORY AUTHORITY FOR COMMUNICATIONS

issues the present:

DECISION

Art.1. – The denominations of the below mentioned compartments within the National Regulatory Authority for Communications, hereinafter referred to as *ANRC*, shall be modified as follows:

- a) The Program Management Section in the subordination of the *ANRC* President shall become the Program & Process Management Section;
- b) The Decision Drafting Section within the Legal Division shall become the Regulations Section;
- c) The Dispute Settlement and Mediation Section within the Legal Division shall become the Disputes Section;
- d) The Current Legal Acts Section within the Legal Division shall become the Current Legal Acts and Authorisations Section;
- e) The Universal Service Implementation Section within the Economic Market Regulation Division shall become the Tariff Regulation and Universal Service Section;
- f) The Surveillance and Control Section within the Operative Division shall become the Control and Technical – Economic Implementation Section;
- g) The Human Resources Section within the Economic Division shall become the Human Resources and Labour Protection Section;
- h) The IT Resources Section within the Economic Division shall become the IT Section.

Art.2. – The following compartments shall be established within *ANRC*:

- a) The Numbering Section, within the Technical Market Regulation Division, comprising one head of section position and two expert positions;
- b) The Postal Regulations Division, within the Technical Market Regulation Division, comprising one head of section position and two expert positions;

c) The Electronic Communications Technical Regulations Section, within the Technical Market Regulation Division, comprising one head of section position and three expert positions;

d) The Statistics and Data Base Section, within the Operative Division, comprising one head of section position and four expert positions;

e) The North-East Operative Section, within the Operative Division, comprising one head of section position and the positions within the organisation chart of the territorial offices subordinated to this section;

f) The North-West Operative Section, within the Operative Division, comprising one head of section position and the positions within the organisation chart of the territorial offices subordinated to this section;

g) The South-East Operative Section, within the Operative Division, comprising one head of section position and the positions within the organisation chart of the territorial offices subordinated to this section;

h) The South-West Operative Section, within the Operative Division, comprising one head of section position and the positions within the organisation chart of the territorial offices subordinated to this section;

i) The Operative Section Bucharest-Ilfov, within the Operative Division, comprising one head of section position and one expert position and the positions within the organisation chart of the territorial offices subordinated to this section.

Art.3. – (1) In addition to the positions within the compartments established according to Art.2, the following positions shall be established within *ANRC*:

- a) one expert position within the Program & Process Management Section;
- b) one legal advisor within the Regulations Section;
- c) one expert position within the Access and Interconnection Section within the Economic Market Regulation Division;
- d) one expert position within the Tariff Regulations and Universal Service Section;
- e) one expert position within the Human Resources and Labour Protection Section;
- f) two expert positions within the IT Section.

(2) One registry-archive clerk position within the Administrative Section of the Economic Division shall become an expert position.

Art.4. – The hierarchical subordination of the below mentioned compartments within *ANRC* shall be modified as follows:

a) The Program & Process Section shall be transferred in the subordination of the *ANRC* Vice-President;

b) The Human Resources and Labour Protection Section shall be transferred in the subordination of the *ANRC* Vice-President;

c) The IT Section shall be transferred in the subordination of the *ANRC* Vice-President;

d) The territorial offices of Bacău, Botoșani, Covasna, Galați, Harghita, Iași, Neamț, Suceava, Vaslui and Vrancea shall be transferred in the subordination of the North-East Operative Section;

e) The territorial Offices of Alba, Arad, Bihor, Bistrița-Năsăud, Cluj, Maramureș, Mureș, Satu Mare, Sălaj and Timiș shall be transferred in the subordination of the North-West Operative Section;

f) The territorial offices of Brăila, Buzău, Călărași, Constanța, Dâmbovița, Giurgiu, Ialomița, Prahova, Teleorman and Tulcea shall be transferred in the subordination of the South-East Section;

g) The territorial offices of Argeş, Braşov, Caraş-Severin, Dolj, Gorj, Hunedoara, Mehedinţi, Olt, Sibiu and Vâlcea shall be transferred in the subordination of the South-West Operative Section;

h) The Bucharest territorial offices and the Ilfov territorial office shall be transferred in the subordination of the Bucharest-Ilfov Operative Section.

Art.5. – The hierarchical subordination of the below mentioned positions within *ANRC* shall be modified as follows:

a) one expert position within the Audit and Cost Accounting Section of the Economic Market Regulation Division shall be transferred to the Market Studies and Analyses Section of the Economic Market Regulation Division;

b) one registry-archive clerk position within the Administrative Section shall be transferred to the Internal Relations Section of the Public Relations Division;

c) two secretary positions within the subordination of the Public Relations Director shall be transferred to the Internal Relations Section;

d) one counsellor position within the Media & Website Section of the Public Relations Division shall be transferred to the Internal Relations Section.

Art.6. – (1) Starting on September 1, 2004, the following *ANRC* compartments shall be dissolved:

a) The Standards Section within the Technical Market Regulation Division;

b) The Quality Section within the Technical Market Regulation Division;

c) The General Authorisation and Licenses Section within the Operative Division;

d) The Territorial Offices Coordination Section within the Operative Division.

(2) The attributions and hierarchical relations of the compartments established according to Art.2 shall come into force starting with the date provided under paragraph (1).

Art.7. – (1) The *ANRC* organisation chart, available as of September 1, 2004, resulted from the reorganisation process provided under Art.1 - 6, is provided in Annex no.1.

(2) The *ANRC* personnel establishment, resulted from the reorganisation provided under Art.1 - 5, is provided in Annex no.2.

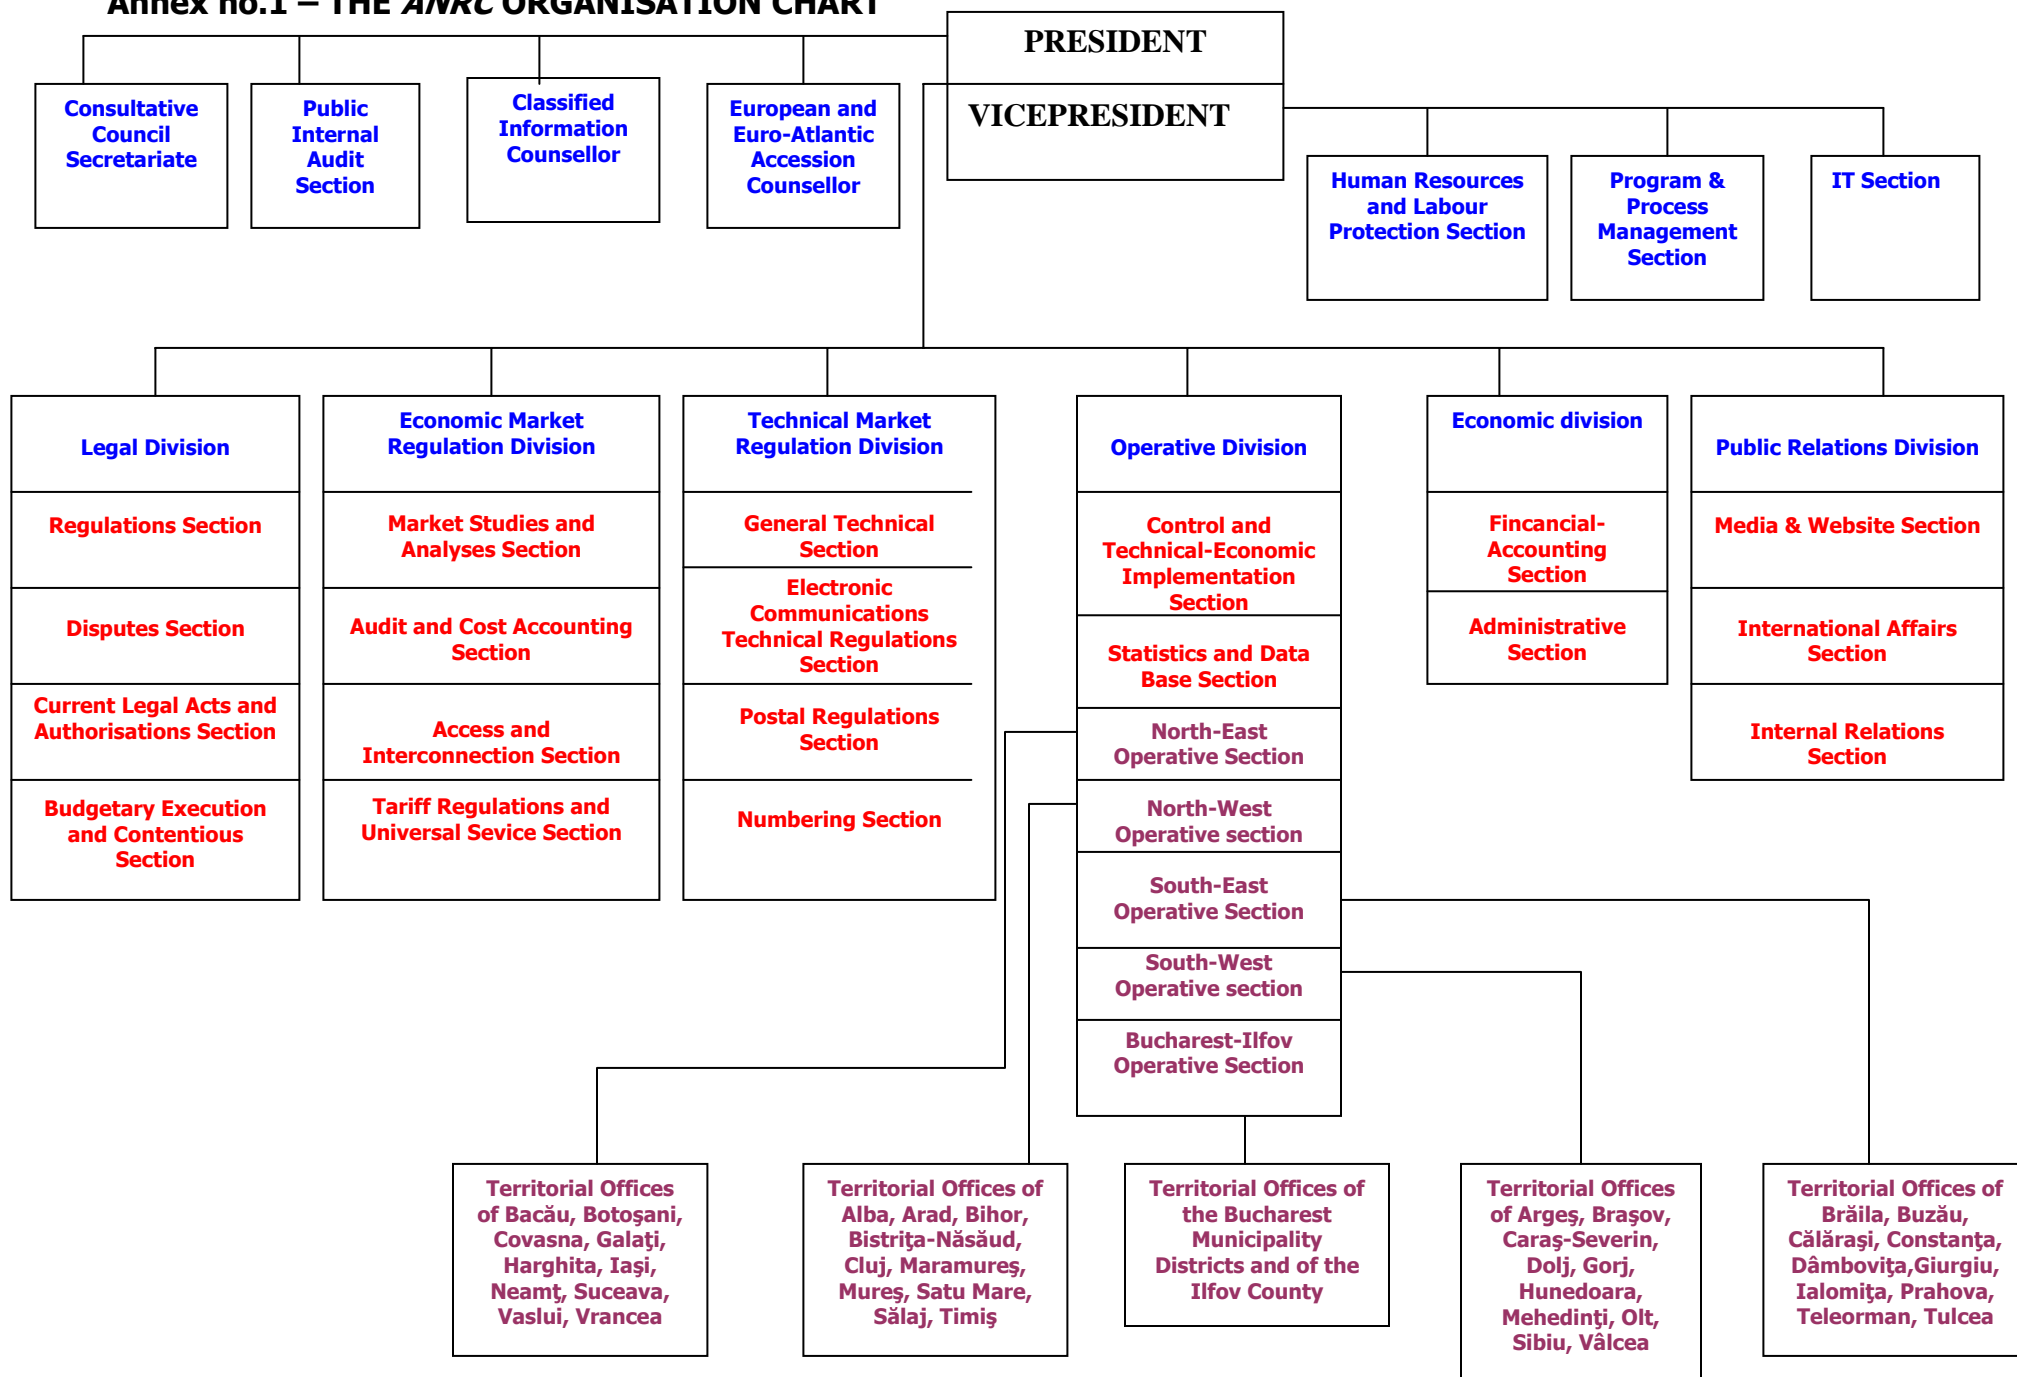

Art.8. – The Decision of the National Regulatory Authority for Communications no.32/2004 shall be waived.

Art.9. – Annexes no.1 and 2 are part of this decision.

**PRESIDENT,
ION SMEEIANU**
