

DECISION no. 888 of 12 October 2018 amending the Decision of the President of the National Authority for Management and Regulation in Communications of Romania no. [311/2016](#) on license exempt radio frequencies or radio frequency bands

On grounds of the provisions of Article 4 paragraph (2) letter c), Article 10 paragraph (2) point 10, Article 11 paragraph (1) and Article 12 paragraphs (1) and (3) of the Government Emergency Ordinance no. [22/2009](#) on the establishment of the National Authority for Management and Regulation in Communications of Romania approved by Law no. [113/2010](#) with subsequent amendments and completions, as well as of Article 22 paragraph (2) and Article 23 paragraph (3) of the Government Emergency Ordinance no. [111/2011](#) on the electronic communications approved with amendments and completions by Law no. [140/2012](#) with subsequent amendments and completions,

The President of the National Authority for Management and Regulation in Communications of Romania issued the present decision.

Art. I

Decision of the President of the National Authority for Management and Regulation in Communications of Romania no. [311/2016](#) on license exempt radio frequencies or radio frequency bands, published in the Official Journal of Romania, Part I, no. 228 of March 28, 2016, is amended as follows:

1. Article 1, letter a) is amended and shall have the following content:

“a) designation of radio frequencies or radio frequency bands for the use of which is not required to obtain a license for radio frequencies usage, for certain categories of radio equipment;”

2. Article 3 is amended and shall have the following content:

”Article 3

Categories of radio equipment using license exempt radio frequencies or radio frequency bands are listed in the Annex which is an integral part of this Decision.”

3. Article 4 is amended and shall have the following content:

”Article 4

The technical specifications for the RO-IR radio interfaces contain the requirements for putting into function and using the radio equipment for reasons related to compliance with the essential requirement referred to in Article 3 paragraph (2) of the Government Decision no. [740/2016](#) on making available on the market of radio equipment.”

4. Article 5 is amended and shall have the following content:

”Article 5

The technical specifications for RO-IR radio interfaces regulated by this Decision shall be periodically updated, where appropriate, on the ground of relevant European or international regulations and published on the National Authority for Management and Regulation in Communications of Romania website.”

5. In the annex, the table head changes and will have the following content:

"Crt. No.	Technical specification for the radio interface	Radio equipment categories
--------------	--	----------------------------

"

6. In the annex, point 15 is amended and shall have the following content:

"15	RO-IR 15	PMR 446 private mobile radio communications equipment
-----	----------	---

"

Art. II

This Decision shall be published in the Official Journal of Romania, Part I, and shall enter into force on the date of its publication.

President of the National Authority for Management and Regulation in Communications of Romania,
Sorin Mihai Grindeanu
