

2020: A Telecom Odyssey

Stakeholder Dialogue for a Vision of Romanian Telecoms in 2020

November 17th, 2015, Bucharest, ROMANIA

This year, ANCOM's international conference is dedicated to discussing the regulatory vision for the next five years in the Romanian electronic communications sector. Intended as an interactive public debate on a discussion paper drafted by ANCOM, our event is aimed at bringing together the stakeholder's views and expertise as regards the developments and the trends of the European and international electronic communications market, in order to bring an increased coherence and effectiveness of the regulatory decisions, as well as improving the predictability and transparency of the regulatory framework.
