

A Golden Compass for the End-users in an Interconnected World

»»» 22.10.2019, Bucharest

Mircea Cazan, currently serving as a senator in the Romanian Parliament, comes from the business environment and is known as a pioneer of voice-data networks, always anchored in new technologies. He now chairs the Senate Communications and Information Technology Commission and, prior to holding the current position, Mr. Cazan was a member in the specialized Commission of the Chamber of Deputies, initiating and promoting numerous legislative acts in the IT&C field.
