

5G

How 5G technology will Democratize Healthcare

Elena Ovreiu, PhD

A 3D rendered logo for 5G, featuring the characters '5' and 'G' in a bold, blue, sans-serif font. The characters are thick and have a slight shadow beneath them, giving them a three-dimensional appearance. The '5' and 'G' are connected at the top.

- High-speed, low latency
- Multitude of connected devices
- Cloud based storage

Imaging

Diagnosis

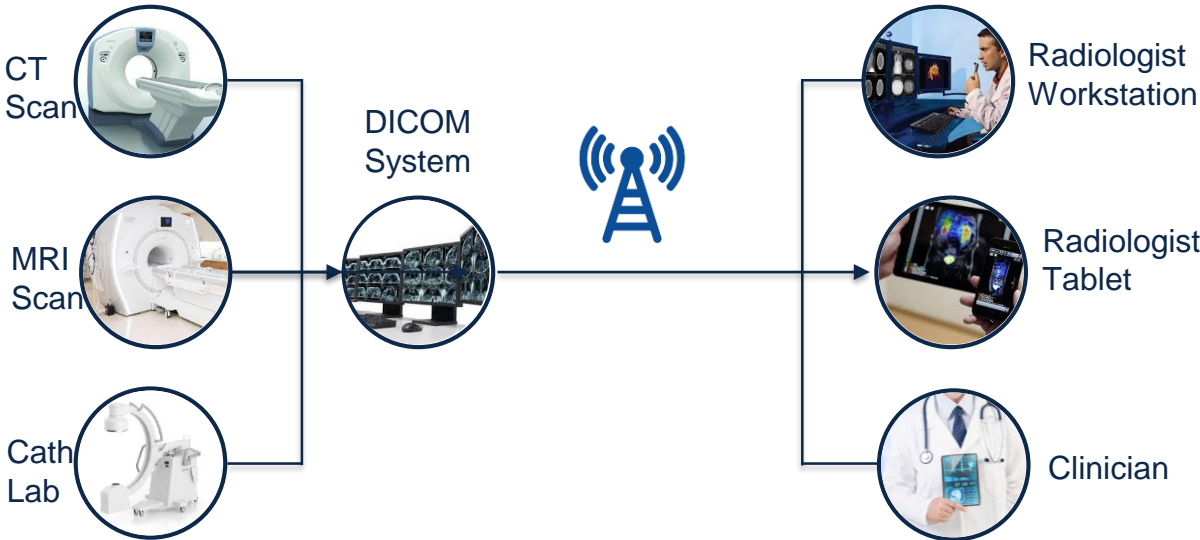

Treatment

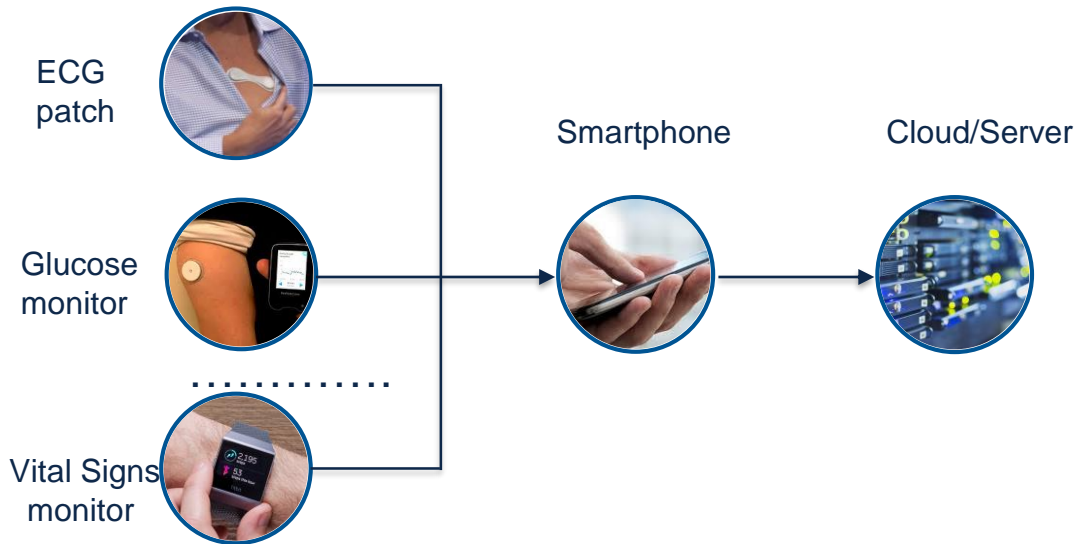

45% of global population
lives in rural areas
[World Bank]

TeleRadiology

Equal level of access to the health care system, regardless of geographic location, income or class status

Internet of Medical Things (IoMT)

The quality of healthcare will be democratized

TeleSurgery
